

# **Work Live Leicestershire: Helping you into work**

## **Work.Live.Leicestershire. (WiLL)**

If you are not currently working and are based in rural Leicestershire - we could help!

Work. Live. Leicestershire (WiLL) is a local project that supports residents living in North West Leicestershire, Hinckley & Bosworth, Melton District and Harborough District into employment, volunteering, training and education.

During the Covid-19 pandemic our project is continuing to support current and new participants in finding opportunities.

We can offer you:

- A 'Work Club' telephone hotline to guide you through the opportunities we offer and support with job searching support
- CV writing and interview coaching
- Tailored on-line training courses which include: social media & job searching, time management, confidence & resilience and many more
- Volunteering and work experience
- 1-2-1 keyworker support

The WiLL Project is delivered by a partnership of nine organisations from across Leicestershire and is funded by the European Social Fund and The National Lottery Community Fund.
