6 hours (over 2 days)

**COST: £30**

With Christmas approaching, ME Sports in the Community CIC have partnered with NW Active CIC and we are delighted to offer children the opportunity to complete their Bikeability Level 2 accreditation.

Bikeability Level 2 prepares attendees for cycling on the road in live traffic environments for short journeys such as from home to school and will take place from the ME Community Events Centre in Markfield.

It is strongly recommended that children have completed the Level 1 course before attempting Level 2 and as the course is delivered outside will need to be dressed appropriately in warm, weather proof clothing with gloves recommended.

Our fully qualified and DBS checked Bikeability Instructors provide a welcoming and supportive environment to nurture cyclists to develop and feel confident when cycling.

An excellent opportunity to develop fundamental cycle skills through our Bikeability accreditation.

To book a place please email [dave@megroup-uk.co.uk](mailto:dave@megroup-uk.co.uk) or call 01530 242 706.
